

74 APPLETON ST

- LEFT SIDE ELEVATION
- CURRENT VIEW OF DECK FROM CLARENDON STREET

MATERIALS

HANDRAILS:

We propose to remove existing wooden, horizontal plank handrails and install a more historically aesthetic black metal handrails with vertical spindles.

MATERIALS

DECKING:

Decking will be Trex
Transcend Composite
Decking in Island Mist

* Enhance colors
+ Select colors
Transcend colors

CURRENT LOOK VS PROPOSED LOOK

CURRENT WOODEN DECK IS QUITE OLD AND DILAPIDATED, THE HANDRAILS ARE UGLY

PROPOSED DECK WILL LOOK VERY SIMILAR TO THIS AS WE WILL USE THE SAME DECKING COLOR AND HANDRAILS...
