

We're designing a raised crosswalk in front of the Grove Hall Senior Center. A raised crosswalk is at the same level as the sidewalk, rather than the street. It creates a safer crossing for everyone.

*Please join Boston Transportation Department staff for a **workshop** to learn more about the design.*

WHEN:

February 3, 2020
3:00 - 4:00 PM

WHERE:

Grove Hall Senior Center
51 Geneva Avenue,
Dorchester, 02121
