

## AGE STRONG COMMISSION

For us, strength comes in many forms. Strength of community. Of cultures. Of experiences. Strength to embrace new chapters and opportunities. We believe that Bostonians who are 55+ make our City strong and vibrant.

Our mission is to enhance your life with meaningful programs, resources, and connections so we can live and age strong in Boston together.

We have many designations. As a Commission, Council on Aging, and Area Agency on Aging, we are not new to aging. We have been doing this for more than 50 years. Age with us.

## AGE FRIENDLY WALK

We want to create an environment in which older adults can continue to lead healthy and productive lives in Boston. We created a list of walking locations in the city of Boston that everyone can enjoy.
