

## **New Balance Sports Complex**

*June 16, 2021*

**Developer:** New Balance Development Group LLC  
**Development Impact Project Plan (DIPP)**

**General Contractor:** John Moriarty & Associates

**Construction Cost:** \$200,000,000.      **Construction Period:** 03/2019-08/2021

**Construction Monitor:** Pamela Ruffo

**Percentage Complete:** 75%

**BRJP Goals:**      **50% Resident**      **25% People of Color**      **10% Female**

---

**Project Description:**

The project is a multisport complex at Boston Landing in Brighton — that will feature one of the world's fastest technical tracks as well as a sports research lab, a concert venue and ground-floor retail and restaurants.

<i>T. J. McCartney, Inc. employs Carpenters, Laborers &amp; Tapers</i>					

# Boston Employment Commission Project Review

---

## BRJP Highlights and Concerns:

- The project had a BEC Special Presentation on 05/15/19 and a Project Review 11/20/19 & 10/21/20. The project is at 75% Complete. Accord Steel has finished their scope of work & S&F Concrete is ending their scope of work as well.
- The comparison between the 10/21/21 BEC review & the current overall participation:  
  
The overall number of work hours increased by 120,030 hours (from 120,039 to 246,069)  
The number of workers increased by 276 workers (from 484 to 760)  
Boston Residents performance remained at 25%  
People of Color performance increased by 2% to 40%, which exceeds the POC BRJP goal of 25%  
Female performance increased by 1% (from 6% to 7%)
- The top five trades are currently performing with low resident participation: Labor Trade 23%, Carpenter Trade 25%, Iron Worker Trade 23%, Electrician Trade 25% & Pipefitters Trade 19%.
- The top five subcontractors currently performing with low resident participation: JMA 24%, Accord Steel 23%, State Electric 25%, S&F 26% & TJ McCartney 24%.
- A Corrective Action was held on June 3, 2021 with the following subcontractors: East Coast Fireproofing, Frontline, JMA, Kiva Systems, TJ McCartney, Valante Mechanical & William Collins Corp. Barry Keady Business Agent for Local 12 attended as well. Corrective Action Letters are attached.
  - JMA #1 largest subcontractor onsite is struggle with resident participation 24%. As of May 24<sup>th</sup> a Boston Resident Labor & Carpenter were added to the project. Their current resident workforce does not reflect JMA overall BRJP workforce of 50% Resident participation. JMA provided a copy of their company Diversity& Inclusion Initiative Plan as well as their ongoing corrective action communication with the subcontractors (attached).
  - Front Line sponsored a non-union Boston resident into Labor Local 223.
  - Valante Mechanical had prior to the corrective action working on increasing their workforce diversity on the project. Attached is copies of email communications documenting their efforts: 01/29/21 they placed a 5<sup>th</sup> year female apprentice electrician on the project And 04/23/21 email trail with Barry Keady regarding the struggles they have encountered when 2 Boston Residents (1 Resident/POC & 1 Female Resident) were sent to the project by the union but decided to stay working at previous companies. Barry Keady has committed to continue to work with Valante Mechanical to increase their workforce participation.
- State Electric is the 3rd largest subcontractor on site and has exceeded POC goal with 29% participation and Female participation is 9%. Their low resident participation of 25% is actually an increase of 14% from the October 2020 BEC performance of 11% Resident with a work crew of 11 electricians: 3 Residents, 5 POC & 1 Female. Currently they have employed 64 electricians: 15 Residents, 16 POC & 4 Females. Attached is State Electric Best Faith Effort packet.
- JMA payroll submissions are currently at 5 days. This exceeds the BRJP submission goal of 7 days
- JMA resident verification is at 95% verified; which exceeds the BRJP 90% verified goal.

## RECOMMENDATIONS:

**RECOMMENDATIONS:** The BRJP Office recommends that JMA:

- Continue to encourage subcontractors deficient in any category, to take steps to make improvements by providing information about pre-apprenticeship programs, such as Building Pathways and Youth Build.
- Continue to be pro-active in communicating with the current subcontractors that workforce goals have to be maintained throughout their scope of work on the project.
