

211 & 213

W Springfield St

Design Review Proposal

2 Stoop Doors

211 W Springfield St Existing Conditions

Note: Openings are closed with plywood for site security.

213 W Springfield St Existing Conditions

Note: Openings are closed with plywood for site security.

Proposed Work (Both Buildings Unless Noted Otherwise)

- Remove non-historic, rusted metal gates.
- Fabricate and Install historic stoop doors.

Door Specifications I

- Mahogany species wood
- Pre-hung with brass hinges
- Brick mold to match provided historical sample
- Traditional 4 panel style (top two panels glass)
- Install new 1/4" laminated safety glass.
- Refinish doors to match front door. Doors will receive 2 coats of marine grade spar varnish.
- Pre-primed frame.

Door Specifications II (Drawings)
