RECEIVED

By City Clerk at 10:16 am, Dec 10, 2021

Description: Will facilitate the meeting starting with an outline of agenda and synopsis of meeting. We will review each category and each vendor in alphabetical order. I will go through each submittal and ask if there are any questions from the committee and discuss. All others (vendors) if they call in can only listen, there will be no discussion with vendors. Then final rating of vendor is given from the evaluation sheets. Thank you.
