Applicant: Guy Grassi

Proposed Work: Repair masonry, repaint wood trim and windows, replace air-conditioners and replace light fixtures; at front and rear yards replace landscaping and hard scape including removing existing stairs down and railings at front and rear, installing new front fence and installing flower boxes; at front façade widen existing 4th floor window at front to align with lower level windows; at rear elevation square off rear bay, install overhead door, extend bay to 3rd floor and replace door at rear; at roof modify penthouse massing, removing front section, adding a rear section and modifying the fenestration at that level, remove existing roof elevator shaft and mechanical vents, install new copper clad elevator over ride and mechanical vent shaft enclosure-relocate existing skylight.

22.0887 BB

397 Commonwealth Avenue: CONTINUED FROM 3-9-2022

Applicant: Charles Reed

Proposed Work: Re-landscape front garden and rear yard, and construct rear addition.

II. ADMINISTRATIVE REVIEW/APPROVAL: *In order to expedite the review process, the commission has delegated the approval of certain work items, such as those involving ordinary maintenance and repair, restoration or replacement, or which otherwise have a minimal impact on a building's appearance, to commission staff pending ratification at its monthly public hearing. **Having been identified as meeting these eligibility criteria and all applicable guidelines, the following applications will be approved at this hearing:***

► Applicants whose projects are listed under this heading **NEED NOT APPEAR** at the hearing. Following the hearing, you will be issued a Determination Sheet to present at the Inspectional Services Department (1010 Massachusetts Avenue) as proof of project approval when applying for permits. ISD personnel will send an electronic copy of your building-permit application to the commission staff for review. (To avoid potential confusion, the text of your building-permit application should be consistent with the project description given below.) Commission staff will accordingly authorize the execution of the work, attaching any applicable provisos, reflecting the relevant guidelines and precedents.

► PLEASE NOTE THAT FOLLOWING ISSUANCE OF THE DETERMINATION SHEET NO FURTHER CORRESPONDENCE WILL BE ISSUED FOR THE APPLICATIONS LISTED BELOW.

The electronic building-permit application as annotated by commission staff will constitute your Certificate of Appropriateness; this will be valid for one year from the date of the hearing. The applicant is required to notify the commission of any project changes; failure to do so may affect the status of the approval.

If you have any questions not addressed by the above information, please contact staff at 617.635.3850 or BackBayAC@boston.gov. Thank you.

- 21.0980 BB** **165 Beacon Street:** At rear elevation replace three first-story windows in-kind.
- 21.0995 BB** **295 Beacon Street:** At roof install HVAC condenser unit.
