Modification Application Request is for:
277 Parking Spaces consisting of 12 Residential excluded and 265 Exempt Spaces

This existing parking lot serves five properties, 520 Harrison Ave., 536 Harrison Ave., 550 Harrison Ave., 560 Harrison Ave. and 580 Harrison Ave. Between the five buildings there is approximately 257,207 SF of office space, a 32,900 SF Conference Center, a 26,000 SF gym, a 6000 SF restaurant/café and 24 residential tenants. Tenants of these properties, many of them long term, are The Office of the Jury Commissioner, Huntington Theatre, Boston University, Shawmut Design and Construction, SoWa Health and Wellness, Marseille Restaurant and Café and many small business tenants. Shawmut Construction alone has over 300 employees with access to 560 Harrison Ave.

The SoWa Power Station Conference Center has an occupancy of 1520 persons. This venue holds many charity events throughout the year and is the home of the SoWa Winter Festival that operates for three weeks before the holidays.

This fenced and landscaped parking lot has a parking attendant and all monthly parkers have parking badges that allow for entry and exit. Transient parkers will be directed to the public lot located at 324 Albany Street. SoWa South offers validated parking for the guests and deliveries of these buildings.

The options for public transportation are the Silver Line on Washington St., which is a 5-minute walk and the 47 bus on Albany St. which goes to Broadway Station and Cambridge. These options offer only limited support and is not practical for handicap employees or visitors.

We believe these additional parking spaces benefit the neighborhood, specifically in regards to traffic, congestion, safety, and pollution, and are essential to supporting the business needs of our local small businesses, event attendees and restaurant guests.

Sincerely, 
Katherine Cipriani GTI Properties
