

## HOUSEHOLD HAZARDOUS WASTE & WASTE BAN RETAIL DROP-OFF LOCATIONS:

There are many health and environmental hazards associated with different chemicals, materials, and products commonly found in the home. The City of Boston hosts several Zero Waste Days where you can bring these items for safe and proper disposal. However, there are many options throughout the City where you can properly dispose of these items on your own time.

Find a retailer near you that accepts items you are looking to properly dispose of.
