

## TITUS SPARROW PARK CONSTRUCTION UPDATE MAY 2024

Thank you for your patience and continued interest in this project. Titus Sparrow Park is an important green space for the South End community, and we understand that having the park closed for the duration of construction is difficult for many. We appreciate your patience during our renovation, and the park is still on track for reopening in late fall 2024. Please note that Titus Sparrow Park summer and fall programming will not take place in the park, but will be up and running again in 2025.

DESIGNER: Halvorson | Tighe & Bond  
CONTRACTOR: ANJ Construction

We have recently received questions about the new Construction Notice signs at the Tennis court. These were hung because the court was closed for a few days last week in order to install the new sport court lights. The courts have since opened back up. The courts will again be closed this summer for resurfacing / repainting. After those improvements are completed, the tennis courts will be reopened again and the signs will be removed.

### CONSTRUCTION COMPLETED AS OF MAY 2024:

#### Site Improvements

- BWSC GSA Inspection completed
- Passive lawn subsurface drainage infrastructure installed, tested, and accepted
- Soil installed, tested, and accepted
- Subsurface drainage at basketball courts installed and sub course laid
- Play equipment has been installed
- New athletic poles installed at tennis courts
- Existing light poles repainted
- Safety surface submittals in process

### CONSTRUCTION LOOK AHEAD:

What to expect in the next few weeks:

- Repointing of walls at tennis court
- Fine grading and surfacing of new basketball court
- Weeds removed at tennis courts
- Tennis courts resurfaced
- Play equipment CPSI inspection
