OVERVIEW

The Boston Public Health Commission (BPHC) is the local public health department for the city of Boston. BPHC's mission is to protect, preserve, and promote the health and well-being of all Boston residents, particularly the most vulnerable populations.

BPHC is seeking requests for bids from qualified contractors to remove, replace and reseal hung aluminum replacement windows with aluminum brick. We need all windows removed, disposed of replaced and resealed with aluminum windows that have safety features and are tamper proof.

BPHC encourages small, local, minority, disadvantaged, women-owned, veteran and/or service-disabled owned business enterprises to participate in all procurement opportunities.

****Contractors are responsible for their own measurements and window count(s).***

PROPOSED SCOPE OF SERVICE

The Boston Public Health Commission seeks bidders to remove, repair, reseal and replace windows located at ***The Men's Shelter located at 112 Southampton St, Boston Mass 02118***. Windows are single hung aluminum replacement windows with aluminum brick. We need the windows removed, disposed of, and replaced with aluminum windows that have safety features and are tamper proof. Project will require replacement of the panning system.

We need all windows removed, resealed, and replaced with aluminum tamperproof windows. Many windows will need to be reframed, and the exterior may require repointing.

BPHC reserves the right to award one or multiple bidders based upon bid is deemed most favorable to BPHC. The bidder shall agree that BPHC may add or remove properties and/or services at any time during the term of the contract. BPHC has the discretion to modify the scope as necessary prior to execution of the contract with the selected bidder(s). No services shall commence until all necessary contract documentation is fully executed by BPHC and awarded vendor(s). BPHC will work selected bidder(s) to adjust cost(s) based on any revisions to the scope of service. BPHC will not be responsible for any transportation fees or costs, including but limited to, mileage or fuel cost.

****Contractors are responsible for their own measurements and window count(s).***

REQUIREMENTS

The following are minimum qualifications and licensing requirements that the bidder must meet to be eligible to submit a bid. Bidders must demonstrate compliance with minimum qualifications. BPHC reserves the right, but is not obligated to obtain clarification from the bidder if compliance with the minimum qualifications is not clear in the bid. Those that are not clearly responsive to these minimum qualifications shall be rejected by the BPHC without further consideration.

The bidder must have a minimum of 5 years' experience in commercial glazing with a minimum of 3 or more contracts of comparable property size and scope as detailed herein. The bidder must be currently DCAMM certified in Door and Window Installation, "Work customarily performed by this industry, including installation of doors and windows made of wood, metal or other materials, both interior and exterior. This category does not include glass and glazing by itself."

Vendor(s) selected to perform the services must agree to the following:

BPHC, as the local board of health for the city of Boston, is the holder of private medical information. This service may expose the vendor employees to such information therefore, BPHC requires the vendor to sign the Health Insurance Portability and Accountability Act (HIPAA) - Business Associate Agreement to protect the privacy of BPHC clients.

The vendor must comply with the City of Boston Living Wage Ordinance. Prevailing wage forms were sent with the RFB package and weekly certified payroll is required.

Vendor is solely responsible for informing BPHC if vendor is or has been debarred, suspended, proposed for debarment, excluded, or disqualified under the non-procurement common rule, or otherwise declared ineligible from receiving Federal contracts, subcontracts, and Federal assistance and benefits in any amount. BPHC will ensure that no party found on Systems for Award Management (SAM) list is awarded a contract.

The vendor must immediately report any discovered damaged property or inoperative items to BPHC so as not to be held accountable. In addition, vendor must report any incidents that involve vendor on BPHC property.

Vendor must assign a supervisor to each location. All services must be performed by employees of the vendor. The vendor agrees to assume responsibility for the actions and conduct of any of its employees. Vendor's employees who violate any rules shall immediately be removed and banned from all BPHC premises. The vendor must provide a list of employees under the contract if requested by BPHC.

Invoice Requirements

The vendor must assign an accounting / financial representative for invoicing and all fiscal responsibilities and correspondence. The following is required for invoices and payments:

Vendors must submit a typed or printed invoice; handwritten invoices are not acceptable.

A valid Purchase Order Number must be obtained prior to preparing invoices. Purchase Orders must be typed or printed on each invoice.

All invoices must have a unique invoice number.

Invoices without the required information or documentation will not be processed. The vendor will be informed in writing to revise and resubmit the invoice.

Invoice payments will be released within 30 days of the invoice date after approval by the authorized BPHC personnel.
