

**Property 10 Bradford St. #2
Homeowner Matthew Kelly**

Proposal for Window Replacement at property address at 10 Bradford St. #2 Boston, MA

This property was built in 1985 on the site of a burned building in the South End Landmark District. Homeowner has contracted with Infinity Replacement LLC to replace the following:

Full Project: (8) Double Hung Insert Windows, (2) Full Frame Rectangle Windows, (1) Single Interior Entry Door, (1) Exterior Entry Door and (2) Transom Windows .

This presentation will give photos of existing windows, project scope, homeowner contract and technical specifications for each proposed window.

Revised Proposal: Transom above Door, visible to the public way, to be replaced with Marvin Ultimate Collection window inserts. The Ultimate Collection is of wood construction.
Exterior Entry Door is Provia-Fiberglass with wood-skin

FrameSaver Inside Mull Cover - Snow Mist White
Bronze ZOB Outswing Bumper Threshold (5 5/8" Depth)
Stainless Steel Ball Bearing Hinges
Security Plate

INFORMATION AND WARNINGS

Due to depth, the inside mullions will have visible seams.
Outswing doors include stainless steel hinges.
Mail slot location may allow exterior access to interior handleset (potential security concern).
Outswing doors with a FrameSaver Frame only have a 2 year frame warranty. ProVia recommends that you upgrade to a PermaTech Composite Frame which offers a lifetime frame warranty for both inswing and outswing applications. See warranty for limitations and exclusions.
